Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

A MAN FROM MONTANA: MEMOIRS OF MY LIFE IN WESTERN MONTANA

Createspace, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Freeman A. Halverson, a son of Norwegian immigrants was born in Barron County, Wisconsin in 1889 near the town of Dallas. His mother died when he was barely a year old, and he was taken in and raised by close relatives. At the age of 21 years he, along with his cousin Fred, decided to see the world, so they trekked west on the Great Northern Railroad to a place called Kalispell, Montana. Having the youthful wide-eyed intentions of venturing to Alaska, the Far East or other far-off worldly places, the two young men, instead, ended up homesteading in Montana, where the territory was open range and dominated by Native Americans, large cattle ranches, mining, and forest logging operations. After a lifetime in the Little Bitter Root Valley of Big Sky Country, and retiring fifty years after arriving there, Freeman took pen in hand with a typewriter at his side, and wrote his memoirs. A Man From Montana is rich in the tales of adventure, fortitude and endurance which westward bound young men and women experienced during that time. Freeman and Fred started out life with absolutely nothing but a few dollars in their pockets and a spirit of adventure.
