CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Why should anyone read this? Because the end effect is restorative and invigorating and because everyone who's ever had a father like this wants to believe there is a happy way out. The author was born in the bottom of the Depression. His early life was normal for the times. By the time he graduated from high school, he'd won the school's golf championship twice, earned many varsity letters in four sports, and had learned to box. But he'd also been touched by death five times --- his mother when he was 16, her brother in the war, and his maternal and paternal grandparents. After high school, he'd gone far away to college, earning As when he had been a C student in high school. During his first year away, his father had remarried, and he hadn't been invited. His father adopted the two children that his new wife brought to the marriage; she adopted two of his three. In college he majored in English, planning to teach high school, and, like the two summers before, had worked away from home the summer before his senior year. He fell in love and left college midway through his last year --- without a degree, ignoring a post graduate scholarship and the career he had planned to pursue. But he'd found a wife. Soon he'd be a father of a baby boy. There would be four more, and he'd begin a forty-year career in the women's retail business, going to the top although secretly colorblind in this vibrantly color-sensitive world. Very early in that career, he called his father and asked him for his blessing on his marriage and his first-born....
