Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at any time of the time (that's what catalogs are for regarding in the event you check with me).

(Juliet Kertsmann)

BATTLING TERRORISM IN THE HORN OF AFRICA

[DOWNLOAD](#)

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Battling Terrorism in the Horn of Africa, Robert I. Rotberg, With so much attention paid to America's war on terror in Afghanistan and Iraq, the world has all but forgotten the spread of terrorism in other regions. From South Asia to South America, terrorist groups are on the rise. One of the most dangerous regions is the greater Horn of Africa along with Yemen, its volatile neighbor. This book offers authoritative insight into the struggle against terrorism in the Horn --what has been done and what work remains. Robert Rotberg and his colleagues analyze the situation in Djibouti, Eritrea, Ethiopia, Kenya, Somalia, Sudan, and Yemen. The esteemed contributors are prominent scholars and practitioners, including several former U.S. ambassadors. Their contributions reveal how each country's government --with or without U.S. help --is (or is not) working to combat terrorism within its own borders and to prevent its spread. Rotberg provides an overview of the entire region, drawing lessons particularly for U.S. policy. Battling Terror in the Horn of Africa is a handbook on what needs to be done at the tension-filled crossroads of Arabia and Africa. It is important reading for all those with an interest in African or Middle Eastern affairs or the need to learn more about international terrorism. Contributors include Robert D. Burrowes (University of Washington), Timothy Carney (former U.S. ambassador to Sudan), Johnnie Carson (former ambassador to Kenya), Dan Connell (Grassroots International), Kenneth J. Menkhaus (Davidson College), Robert I. Rotberg (Harvard University), and Lange Schemerhorn (former ambassador to Djibouti).
