Ten-year-old Justin hates that his sisters and his mama are always fussing at him. They make him feel stupid because he can't clean his room or cook. But why should he? He'd rather be outside playing. After all, cooking and cleaning is just women's work. That's why Justin is glad when his grandfather invites him back to his ranch for the summer. Justin is sure he can get away from all the women and do some actual men's work, such as cleaning fish, mending fences, and riding horses. But back at the ranch, Justin learns some unexpected lessons and soon realizes that anyone can do anything once they learn how. This item ships from multiple locations.
