

Cleft Palate Speech: Assessment and Intervention

By -

John Wiley and Sons Ltd, United States, 2011. Paperback. Book Condition: New. 242 x 168 mm. Language: English . Brand New Book. The focus of this book is on speech production and speech processing associated with cleft palate, covering phonetic (perceptual and instrumental), phonological and psycholinguistic perspectives, and including coverage of implications for literacy and education, as well as cross-linguistic differences. It draws together a group of international experts in the fields of cleft lip and palate and speech science to provide an up-to-date and in-depth account of the nature of speech production, and the processes and current evidence base of assessment and intervention for speech associated with cleft palate. The consequences of speech disorders associated with cleft on intelligibility and communicative participation are also covered. This book will provide a solid theoretical foundation and a valuable clinical resource for students of speech-language pathology, for practising speech-language pathologists, and for others interested in speech production in cleft palate, including researchers and members of multi-disciplinary cleft teams who wish to know more about the nature of speech difficulties associated with a cleft palate.

Reviews

An exceptional publication as well as the font applied was intriguing to learn. It usually does not charge an excessive amount of. Its been designed in an exceedingly basic way and it is just after i finished reading through this book through which in fact altered me, modify the way in my opinion.

-- **Haylee Hackett**

It in a of the best ebook. It generally is not going to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
