Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It would appear that most churches of today have lost touch with fulfilling the Great Commission. While soul-winning is a vital part of our mission, we seem to have lost sight of biblical discipleship and holy living. Many Christians simply do not know how to share their faith, much less disciple another Christian. This book was written to give ALL Christians a step-by-step look at what fulfilling the Great Commission should look like. It is best studied in a small group setting. However, it will also benefit couples, singles, or any individual that desires to have a foundational working knowledge of the Christian faith and fulfilling the Great Commission. Steve West, A native Texan who was born in Austin. Being raised on a farm just north of Austin, I know how to appreciate hard work and honest living. As a Christian husband, father, business owner, and Sunday School teacher, I have had many opportunities to share my faith. Friends and family wanted me to put my Sunday School materials in a book format so that many others could benefit as well. My prayer for this book is to provide people with practical evangelical and discipleship tools that will bless them and glorify the Lord.
