A spark in the dark to set the world on fire, words of flame cried in the wilderness by a madman who is damned to tell the truth, The Red Book of Lance is fourteen dozen of this modern masters meticulous poems introduced by his physician and illustrated with cover portraits by his son. Darker than his other books yet brightened by flashes of mad humor, the work reflects the gravity of the times, speaking prophetically of political change and social evolution. In The Red Book of Lance the poet breaks out, breaks through, and means to change your mind: burn baby burn. This item ships from multiple locations.
