BRAIN TEASERS ECONOMICS (2ND REVISED EDITION)

Sterling Publishers Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Brain Teasers Economics (2nd Revised edition), Renu Narula, This is not just a textbook but a book that sharpens the intelligence and memory, whets enthusiasm in the subject, and generates a greater confidence in the students towards their knowledge of economics. The chapter-wise quizzes and short questions facilitate a systematic study of the complex subject, and make it very lucid and simple to comprehend. The objective pattern adopted in the book makes it easier for a quick revision of the major topics, apart from clarifying the concepts. It can also be used as a reference book. Since the book covers micro economics and does not focus just on the Indian subcontinent, it will be useful to students not only in India but also to those studying abroad. It is hoped that the teachers of the subject will find it equally useful.
