

Another Great Day at Sea: Life Aboard the USS George H.W. Bush

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ANOTHER GREAT DAY AT SEA: LIFE ABOARD THE USS GEORGE H.W. BUSH

Pantheon, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "What could be better than weeks far away on the flat seas of the Arabian Gulf with Geoff Dyer? He is, if possible, even more witty and charming than usual. The carrier's hugeness, its crew's tireless cheer and openness, and the enormous mechanical and electrical forces at work everywhere fare wonderfully here with Dyer's unique combination of depth, irreverence and explosive humor." --Annie Dillard, author of *Pilgrim at Tinker Creek* "I hope one day to meet the demented genius who decided to put Geoff Dyer aboard an American aircraft carrier. The result sounds in places as if Sterne en route to his sentimental journey had paused for a week's stint on HMS Victory . There's something like New Journalism happening but in the hands of a writer who'll suddenly flash out sentences such as, "The sea was a prairie of glitter green." In the end one is forced to call it "a Dyer book," which luckily for him and us is a high compliment." --John Jeremiah Sullivan, author of *Pulphhead* " Another Great Day at Sea, Geoff Dyer's chronicle of his two weeks in residence aboard the USS George H. W. Bush , is a tale of routine, lyricism and terror, of long hours and hard work, and of camaraderie and conviction, which are a form of faith. Original, humane, and very funny, Another Great Day is another great book by an incomparable writer." --Brenda Wineapple, author of *Ecstatic Nation* "Dyer stows himself away on an American aircraft carrier, fortunately, with all his hilarious tics in place. A rare kind of non-fiction, with sentences that keep on giving long after your eye has sailed on." --Steve Martin "When Geoff Dyer wants to write about...
