

Long-distance Relationship Guide (Revised edition)

By Caroline Tiger

Quirk Books. Paperback. Book Condition: new. BRAND NEW, Long-distance Relationship Guide (Revised edition), Caroline Tiger, It's astonishing but true: About 2.4 million Americans are involved in "commuter marriages" where spouses live in different locations because they need to follow job opportunities. Expand that number to include all couples where one partner has moved away to start a new job, join the military, or continue his/her education - then add in the vast number of people who travel regularly for their jobs-and you're looking at a truly pervasive phenomenon: Long-distance relationship (LDR) couples are everywhere. Anecdotes from couples who successfully (or unsuccessfully) navigated the world of LDPs...
