

The Future of Democratic Equality: Rebuilding Social Solidarity in a Fragmented America

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, The Future of Democratic Equality: Rebuilding Social Solidarity in a Fragmented America, Elizabeth Zimmer, Joseph M. Schwartz, 2011 David Easton Award, presented for the best book by the Foundations of Political Theory section of APSA: "The Future of Democratic Equality, by Joseph Schwartz, takes on three tasks, and accomplishes all brilliantly. Any one of these tasks well fulfilled would have been a laudable achievement. First, Schwartz argues for the centrality of the question of equality to democratic politics. Second, he critically analyzes and explains the shocking rise in inequality in the United States over the last three decades. This he does with conceptual clarity, rich interdisciplinary analysis, and a thorough examination of hard socioeconomic data. Third, he assails the near absence of concern for this soaring inequality among contemporary political theorists, and offers a cogent, and stinging, explanation that takes to task the discipline's preoccupation with difference and identity severed from the pragmatics of democratic equality. The Future of Democratic Equality is a courageous and disciplined effort to tackle a hugely important political problem and intellectual puzzle. It well embodies the spirit of the Easton Book Award by providing well-grounded normative theory targeted to an urgent matter of contemporary concern. It is a must read for anyone who cares about democracy." - Respectfully submitted by Leslie Paul Thiele, University of Florida (chair) and Cary J. Nederman, Texas A&M University Why has contemporary radical political theory remained virtually silent about the stunning rise in inequality in the United States over the past thirty years? Schwartz contends that since the 1980s, most radical theorists shifted their focus away from interrogating social inequality to criticizing the liberal and radical tradition for being inattentive to the role of difference and identity within social life....
