

Memories of Belonging: Images from the Colony and Beyond

By Malavika Karlekar

Niyogi Books, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. Memories of Belonging can be read as a collection of slightly offbeat musings on certain aspects of over a century and a half of this country's history. Whether the photograph, lithograph, painting or cartoon is the focus or illustrates a point or an argument, the visual is integral to each piece. A rough historical sense divides the volume into three sections: the first sets the stage for the appearance of the colonial state not through the usual tropes of political and economic domination but more with vignettes about institutions, people and unusual choices. The second section is a whimsical journey through India while the final section is all about modes of travel used by a century and a half of people on the move, beginning with the palki and ending with experiences of the railways. Through its easy style, well-chosen visuals and details peppered with anecdotes, the reader will quickly journey through colonial India into its more recent past, garnering interesting and often little-known facts and snippets along the way. Printed Pages: 228 with 90 colour photographs.
