International IDEA. Paperback. Book Condition: new. BRAND NEW, Political Parties in Africa: Challenges for Sustained Multiparty Democracy, M. A. Mohamed Salih, Provides a broad, comparative analysis of 27 African countries and 75 political parties. The data was assembled during 2004-06 and was followed by national and sub-regional dialogue workshops between political parties, researchers and civil society. The agenda for reform that emanated from the research and dialogue process is reflected and discussed in the report. Legislative regulation of parties, women's' participation, funding of political parties, party democracy and party programmes and policies that represent and reflect the preferences of the people are high on the agenda for the process ahead.
