

## South Bend Indiana IN Images of America

Filesize: 4.38 MB

### ***Reviews***

*It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.*  
(Camryn Williamson)

## SOUTH BEND INDIANA IN IMAGES OF AMERICA

Arcadia Publishing. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.2in. x 6.3in. x 0.4in. The land now called St. Joseph County was familiar ground to Native Americans long before recorded history. Many Indians, including the local Potawatomie and Miami, trod the well-worn path that offered a two-mile portage between the St. Joseph River (and Lake Michigan) to the Kankakee River and eventually the Mississippi River. Pierre F. Navarre built a log cabin beside the St. Joseph River in 1820, and began a settlement that would eventually become South Bend and Mishawaka in St. Joseph County. The over 200 vintage images in this book, drawn from St. Joseph County and Mishawaka as well as South Bend, look back at the commerce, industry, and businesses like Studebaker, Ball Band, Singer, and Bendix, which grew on the rich resources of the area. Education was a high priority for early settlers, and they established one-room schoolhouses and Notre Dame University. The photographs show public places, buildings, and servants, some long gone, others that are still with us today. And of course, there are pictures of the people, the homes they built, and the activities they enjoyed in their northern Indiana home. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
