Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The great financial crisis of 2008 and the ensuing global economic and financial turmoil have launched a search for models for recovery. The advocates of austerity present the Baltic States as countries that through discipline and sacrifice showed the way out of crisis. They have proposed the Baltic model of radical public sector cuts, wage reductions, labor market reforms and reductions in living standards for other troubled Eurozone countries to emulate. Yet, the reality of the Baltic austerity fix has been neither fully accepted by its peoples, nor is it fully a success. This book explains why and what are the real social and economic costs of the Baltic austerity model. We examine each of the Baltic States by connecting national level studies within a European and global political economy, thereby delivering comparative breadth that supersedes localized understandings of the crisis. Thus for each of the three Baltic states, individual chapters explore the different economic and social dimensions of neo-liberal post-communism and the subsequent wider global economic and financial crisis in which these newly financialized economies...
