Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

PLANNING YOUR GARDEN: A PRACTICAL GUIDE TO DESIGNING AND PLANTING YOUR GARDEN, WITH 15 PLANS AND OVER 200 INSPIRATIONAL PICTURES.

Anness Publishing. Paperback. Book Condition: new. BRAND NEW, Planning Your Garden: A Practical Guide to Designing and Planting Your Garden, with 15 Plans and Over 200 Inspirational Pictures., Peter McHoy, This title is a practical guide to designing and planting your garden, with 15 plans and over 200 inspirational pictures. It helps how to successfully plan a garden, from a large family space to patios, balconies and even roof gardens. It contains advice, tips and great ideas on the basics of good garden design, as well as how to create a style that suits your needs. It offers over 15 plans for well-planned gardens, with stunning photographs showing them in all their glory. It gives step-by-step guidance on a range of hands-on projects, including constructing a trellis, building overheads, creating shade, and installing garden lights. It is an inspirational and practical book that will guide you from drawing your first plans through to planting preferences and adding the finishing touches. Often gardening is about maintaining the status quo, but sometimes it is about new plans and a change of design. This book will guide you through such exciting opportunities, offering help and advice on how to make the most of your garden shape and size, planning the different areas and elements, and filling the new spaces with exactly the right planting schemes for you. Divided into three sections, the book first takes you through initial surveying, basic patterns and different kinds of design. The next chapter gives guidance on boundaries, walling, creating shape and focal points and other practicalities. The last chapter offers ideas and projects to follow for gardens, patios, balconies and roof gardens, ranging from entertaining areas to chill-out zones, and different styles from elegant formality to an enchanted jungle. Illustrated throughout with 200 images, this is an...
