## A Beginner's Guide to Charting Financial Markets: A Practical Introduction to Technical Analysis for Investors

By Michael Kahn

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, A Beginner's Guide to Charting Financial Markets: A Practical Introduction to Technical Analysis for Investors, Michael Kahn, This book is about arming you with one simple tool that will enhance your investment decision-making process - the chart. It is not the Holy Grail and even if applied exactly as offered there is no guarantee that you will be successful. But owning a high quality hammer is no guarantee that the user will build a beautiful house. The hammer is a tool and in most cases the user will still need other tools - and knowledge - to build that house. Despite its enormous and still growing popularity, technical market analysis still gets a bad rap. Purveyors of this art have been called tealeaf readers and many similar names, but that has nothing to do with what technical analysis is attempting to do. If we strip away all the fancy indicators and obtuse jargon, what is left are time-tested methods of finding investment opportunities and assessing their risk. There is no fortune telling here; only figuring out what we can do about the market. And what we do is the only part...
