Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. To say eighteen-year-old Farrah Higginsor Digitis good at math is a laughable understatement. Shes been cracking codes since childhood, and is finally at home with "her people" at MIT in Cambridge. Her talents are so off the charts that her laptop is under surveillance by both the CIA and an ecoterrorist named Jonas Furnis. So when she thoughtlessly hacks into the Department of Defenses database, she lands in serious hot water inside and outside the law. Listeners will be sad to reach the end of this suspenseful, sassy, super smart thriller, the sequel to A Girl Named Digit.
