## Leap to Freedom: Healing Quantum Guilt

By Devrah Laval

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Leap to Freedom: Healing Quantum Guilt, Devrah Laval, Whether we are rich or poor, religious, agnostic or atheist, we all suffer because of our unconscious belief in sin and guilt, both of which lie at the core of all our decisions and actions. But what if everything we've been taught about sin, and the need to feel guilt, has been a lie? The purpose of this book is to offer a way out from this limited and debilitating belief that we've blindly accepted, by exploring how and why sin and guilt are illusions. What if we no longer have to live in fear of suffering and eternal damnation, or be plagued by constant nagging doubt or unworthiness brought on by the beliefs in sin and guilt? What if, instead, we could live every moment in the state of love and peace, and thereby be better able to fulfill our true purpose?.
