University of Missouri Press. Paperback. Book Condition: new. BRAND NEW, Uncle Tom's Cabin as Visual Culture (3rd), Jo-Ann Morgan, By personalizing the experiences of American slaves, Harriet Beecher Stowe's "Uncle Tom's Cabin" had a profound effect on public attitudes toward slavery on the eve of the Civil War, but Stowe's narrative was not the whole story. Jo-Ann Morgan now reveals how prints and paintings of Uncle Tom and other characters in the novel also shaped public perceptions and how this visual culture had its own impact on history. Through illustrations in various editions of the book, advertisements for stage productions, paintings of favorite scenes, and even sheet music for Tom-inspired songs, Stowe's work took on a visual as well as a textual existence. Morgan explores the rich visual discourse generated by "Uncle Tom's Cabin" within the context of evolving social conditions and political events of nineteenth-century America to show how images associated with the text came to have lives of their own. Although Uncle Tom is a recognized icon of American culture, this is the first book to concentrate on the visual discourse involving the character, interpreting a period of American sociocultural history that has been neglected by art historians. Morgan shows how these iconic images offered the country a means of both representing and reinventing its slave past. By examining illustrations by Hammatt Billings and George Cruikshank and the work of painters such as Winslow Homer, Eastman Johnson, Henry Ossawa Tanner, and Thomas Satterwhite Noble, she breaks down boundaries between high art and popular culture to demonstrate how these distinctions helped validate the views of elite producers of culture. Morgan argues that the popularity of "Uncle Tom's Cabin" made it dangerous to prevailing attitudes and the institutional structures kept in place by them,...
